

5 Policy-Safe Google Review Reply Templates

Use these templates

Respond to Google reviews without sounding robotic or escalating the situation.

1. Simple positive reply

Thank you, {first_name}. We appreciate you choosing {business_name} and taking the time to share your experience.

2. Positive reply with detail

Thank you, {first_name}. We are glad to hear that {specific_detail}. We appreciate you choosing {business_name} and sharing your experience.

Mixed and Negative Review Replies

3. Mixed review reply

Hi {first_name}, thank you for sharing your feedback. We are glad to hear what went well, and we are sorry that {issue} did not meet expectations. We appreciate the chance to improve.

4. Negative review reply

Hi {first_name}, thank you for the feedback. We are sorry your experience did not meet expectations. We would like to understand what happened and help if we can. Please contact us directly at {contact_info}.

Service Recovery + Policy Reminders

5. Service recovery follow-up

Hi {first_name}, thank you for telling us about your experience. I am sorry we missed the mark. I would like to understand what happened and see what we can do to help.

Reminders

Do not argue publicly. Do not reveal private details. Do not ask customers to change ratings. Do not offer incentives for reviews.
