

5 Policy-Safe Google Review Reply Templates

A quick reference for calm, professional public replies

Use these as starting points when responding to reviews. Keep replies short, kind, privacy-aware, and never ask customers to change ratings or reveal private details.

1. Simple positive review

Thank you, {first_name}. We appreciate you choosing {business_name} and taking the time to share your experience.

2. Positive with detail

Thank you, {first_name}. We are glad to hear that {specific_detail}. We appreciate you choosing {business_name} and sharing your experience.

3. Mixed review

Hi {first_name}, thank you for sharing your feedback. We are glad to hear what went well, and we are sorry that {issue} did not meet expectations. We appreciate the chance to improve.

4. Negative review

Hi {first_name}, thank you for the feedback. We are sorry your experience did not meet expectations. We would like to understand what happened and help if we can. Please contact us directly at {contact_info}.

5. Service recovery follow-up

Hi {first_name}, thank you for telling us about your experience. I am sorry we missed the mark. I would like to understand what happened and see what we can do to help.

Policy-safe reminders

- Do not argue publicly.
- Do not reveal private customer details.
- Do not ask customers to change ratings.
- Do not offer incentives for reviews.
- Keep replies calm, short, and professional.
